PUTTING YOUR BELIEFS INTO ACTION

FEATURED
SCRIPTURE
THIS MONTH:

Psalms 27:1

Scripture tells us that faith without works is dead. In other words, if the faith inside of us doesn't get expression through our actions and words, it will no longer be alive. If we don't use it, we will lose it, so to speak. We have to step out in faith in order to keep faith alive.

Every person has been given a measure of faith by God. When we hear the truth of God's Word, we receive more faith. That's why it's so important to put the Word of God inside of you because when you do, you are building your faith. To keep that faith alive and thriving, we have to put it to use. One way to put your faith into action is through praise and worship. Praise is a supernatural force that causes you to stand strong in faith even when your thoughts or circumstances are coming against the truth. Praise keeps your thoughts going in the right direction. It's hard to be negative when you are declaring the goodness of God! Today, let praise make you stable and strong. Put that faith in your heart into action. Look for reasons to thank God. As you do, you'll feel that inner strength and be empowered to move forward into victory all the days of your life.

PSALM 27:1

A Psalm of David

The Lord is my light and my salvation
so why should I be afraid?

The Lord is my fortress,
protecting me from danger,
so why should I tremble?

Words To Inspire

“Believe it can be done...
A smart person knows
what to say. A wise
person knows whether or
not to say it.

GOOD, BETTER, BEST,
NEVER LET IT REST.

‘Til your good is better and
your better is BEST.
St. Jerome

Falling down is an
accident. Staying down is
a choice.

Remember God made you
marvelous and wonderful,
even if you don’t feel like
it.

“Take care of your
thoughts when you are
alone, and take care of
your words when you are
with people.”

Sometimes when you’re in
a dark place you think
you’ve been buried, but
actually you’ve been
planted.
