

Disruption
Pastor Steven Rice

Disruption is the radical change to an existing belief or a civilization due to a new idea or innovation.

Jesus caused a huge disruption in the world when He began to preach.

John 10:30 “I and the Father are one.”

Jesus turned the Jewish Religion on its head. He literally turned the tables on the Jewish leaders.

Matt 21:14 Jesus entered the temple courts and drove out all who were buying and selling there. He overturned the tables of the money changers and the benches of those selling doves. ¹³“It is written,” he said to them, “My house will be called a house of prayer,’ but you are making it ‘a den of thieves.’

Then Jesus turned the world upside down.

Matthew 5:43-48 “You have heard that it was said, ‘Love your neighbor and hate your enemy.’ But I tell you love your enemies and pray for those who persecute you, that you may be children of your Father in heaven.

Jesus preached to the People of Israel but then opened His love and salvation to the Gentiles ... Everyone could receive His love and forgiveness.

Matthew 24:14 ¹⁴ And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.

Hebrews 13:8

⁸ Jesus Christ *is* the same yesterday, today, and forever.

1. _____

No matter what you think about climate change its worse than you think.

Higher Temperatures are causing more frequent and stronger; Hurricanes, Tornados, Thunder Storms and Heavy Rains causing Flash Floods and Rivers to overflow their banks.. Droughts and Forest Fires.

2. _____

Scientist are diligently working to make Electric Cars, Humanoid Robots and Artificial Intelligence.

Artificial Intelligence is expanding exponentially – computers and computer programs are being created today that are able to do unbelievable and very scary things.

3. _____

Populations of countries around the world are falling – due to changes in relationships and women having fewer children. As these populations fall countries have more retired elderly and fewer young people to work and pay taxes.

So where does all of this leave us hopefully we will all be raptured before all this madness occurs. But in the meantime don't lose faith ... don't lose you trust in Jesus ... don't lose your relationship with our church and Pastor Scott.
